- Fresh & Frozen
- Grocery/FMCG
- Commodities

Non-food

- Hardware & Tools
- Automotive
- Spare Parts
- Home & Lifestyle
- Workshop & Engineering
- Material Handling
- Pet & Livestock

HOW WE WORK

Supply Chain

Diverse source base and multiple transport options - Antap ensures continuity of supply.

Foreign Exchange

Multi-currency accounts (AUD, USD, PGK, NZD) and effective hedging tools - Antap manages them.

Regulatory

Full export and import regulations and compliance expertise - Antap keeps you moving.

Product & Market Intelligence

Market insight and product guidance - Antap helps you match the right products to the right market.

OUR SERVICES

Straight Containers

Full Container Load (FCL) or Full Truckload (FTL)

Air Freight & LCL

Ideal for smaller or urgent shipments

Mixed Containers

Reefer or dry goods - enabling smaller or remote markets to access international trade

Door-to-Door (D2D) Delivery (PNG kina)

Complete convenience and control; customs-cleared shipments directly to your business in PNG

ORDER FLEXIBILITY

From one-carton orders to multi-container volumes

Please note: this flow is a general guide only. Specific steps may vary depending on the product, destination market requirements, labelling, documentation, and other regulatory considerations.

Inquiry-Led / Supply-Led Opportunity

Costing & Negotiation

Pre-Contract Product & Regulatory Checks
